Messrs. S. N. & H. Chapman

Dear Sirs ~~and Brother~~:

I would like to ask a few questions as to bids on the following lots of the C. E. King sale, I am not well enough posted to bid on them but would like to know about the worth of Lots No. 705 to 726. 778-782 & 3. 786. 791 & 2 & 3, 795. 801, 836. 918 & 1420. (I have 921) 998 to 1019. 1035 & 6. 1039, & 40, 1060 & 61 1082. 1109. 1114. 1131. 1150. 1552 & 3 & 4. 1387, & 1457.

I would like to bid on some of them but want to place 20 or 25 dollars where I think it will do the most good as I need so many things yet but I hope to some day have a passable collection of U. S. Coins but dont care to pay fancy prices for them.

My collection is not yet a year old but I have a few choice pieces in ½ dollars Cents ½ Cents & Scrips I have picked up my collection all over the state and have sold duplicates &c. till I have it at nearly its face value.

Will gladly pay you for your trouble.

Yours Fraternally Otis Balcom A. N. A. "53"
